Anti-Bullying Statement

The IRFU is committed to tackling bullying. Incidents of bullying behaviour are breaches of the IRFU Codes of Conduct.

All club members should:

Respect everyone, no matter their background or abilities

Unite as a team to stand against bullying

Give support to those who need it

Be brave and speak up when you see bullying

You can make a difference

Is it bullying? Is it:

Mean

On purpose

Over and over again

Together, we can tackle bullying, on & off the pitch.

Everyone deserves to feel safe in rugby.

Don't be a bystander.
